

## Accident Insurance

# Help minimize the financial impact that can come with an accidental injury

## What is it?

Accident Insurance pays you benefits for specific injuries and events resulting from a covered accident. Accident Insurance is a limited benefit policy. It is not health insurance and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.

## Who can be covered?

You have the option to enroll yourself as well as your spouse\* and children\* in Accident Insurance coverage to meet your needs.

\*Employees must be enrolled in order to elect coverage for eligible spouse and eligible dependent children as defined in the Certificate of Coverage and Riders.

## Why should I consider it?

Benefits will be paid directly to you to use for any purpose, such as paying out-of-pocket medical expenses, copays, deductibles, groceries, gas, utilities and more – it's up to you.

Coverage is always guaranteed issue.

You can choose to take this coverage with you if you leave your employer or retire, and you'll be billed at the same rates via direct billing.

## Wellness Benefit

Your coverage includes a Wellness Benefit, which will pay you and covered family members an annual benefit if they complete an eligible health screening test. These screenings may include a mental health screening, flu immunization, a mammogram and a routine eye or dental exam.

\$50 for employees, \$50 for spouses, and \$50 per child, per policy per calendar year.

## How much does it cost?

This table shows your rates for Accident Insurance. The cost provided below includes Accident Insurance premium and a fee for Voya Travel Assistance.

Bi-Weekly Rates			
Employee	Employee and Spouse	Employee and Children	Family
\$2.54	\$3.55	\$3.98	\$4.99
